Pink Hearts, Not Pink Slips

We cannot shortchange our children's future. By the end of this school year, it is estimated that 300,000 teachers, school support staff and higher education faculty will be laid off throughout the country. Our educators put their heart and soul into their work, and every day they make a real difference in the lives of children.

Wear a pink heart

Help recognize the important contributions of educators—show your support for those who are being laid off by wearing a pink heart. Budgets may be tightening, but students need educators in the classroom, not in unemployment lines.

Send a message

Protect the quality of education in our schools by voicing your support for federal legislation that will provide more than \$20 billion to help school districts avoid layoffs, and will preserve the quality of education in our schools and on our campuses. Visit www.PinkHeartsNotPinkSlips.com to find out how you can help.
