2010 Professional Issues Conference

Lobby Day

Thursday, April 15

This is a crucial year for all AFT members and the services we provide. Many vital issues will be under consideration by Congress when we meet for our national conference. We hope you can join us for our Lobby Day on Thursday, April 15, to visit the offices of your members of Congress and let them know your views on these issues. Lobby Day begins with a morning briefing, which will be offered both at 9 a.m. and at 10 a.m.

If you plan to participate, we recommend you arrive in Washington, D.C., the night before. Confirmations will be mailed to you separately.
