Coming soon: Reserve your hotel online!

Hotel reservations and convention registration to open in mid-March.

This year hotel reservations for the AFT convention may be made using the AFT's online credential and housing registration system at <http://go.aft.org/conv16>. The system will open for credential reporting and hotel requests in mid-March. The upcoming credential packet sent to every affiliate will contain detailed login and housing instructions, including a form for affiliate room block requests. AFT convention rates are available only by booking through the AFT. Do not contact the hotels directly. Add 13.4 percent sales and occupancy tax to all room rates.
