### **Beginning Reading Instruction**

***Kimberly Bigelow (Janney ES) and Jacqueline Pogue Lyons (Savoy ES)***

Beginning Reading Instruction (BRI) focuses on how children learn to read and the best ways to teach beginning reading from kindergarten to the end of primary grades. This course contains considerable information on how students develop basic decoding skills. It is also helpful for educators working with older students who still are having difficulty with decoding and fluency. The course presents the research-based instructional strategies.
