#### WHAT STUDENTS NEED TO KNOW ABOUT ITT TECH'S CLOSURE

Important information for students who recently attended ITT Tech:

- You may be eligible to have your federal student loans canceled if you were attending ITT Tech in May, June, July, August or September of 2016.
- *Note that transferring any credits to another institution may make you lose your right to a refund.*

Therefore, it is important not to rush into any decisions about next steps. Be wary of any special “limited time” deals or temporary scholarships that are designed to force a quick decision. Some of the other colleges recruiting you may be under federal and/or state investigation for deception.

- Additional information about ITT Tech’s closure can be found at [studentaid.gov/ITT](http://studentaid.gov/ITT).
- If you’re unsure of your federal loan debt, you can look it up online at [www.nslds.ed.gov](http://www.nslds.ed.gov) (PIN needed) to find out what you owe and find contact information for your loan servicer.
