

Education
Healthcare
Public Services

EVERYONE DESERVES DIGNITY, A LIFE THEY CAN AFFORD & REAL OPPORTUNITY.

WE ARE AFT!

We are educators, healthcare workers and public service employees. We show up, we care, and we fight for a better life that people can see, feel and believe is possible.

WE WON'T BACK DOWN AGAINST CHAOS, CORRUPTION AND CRUELTY!

We refuse to stand by while this administration takes away our freedoms, abandons public education, makes college less affordable, kicks millions off healthcare, takes food from hungry children and wages war on workers' rights—all to give massive tax cuts to big corporations and billionaires.

WE BUILD COMMUNITY, NOT DIVISIVENESS! WE DEMAND OPPORTUNITY, NOT HARDSHIP!

Americans want safe, welcoming, relevant and engaging public schools; affordable higher education and healthcare; the right to form and join unions; fair pay and safe working conditions; a secure retirement; and a strong democracy where every person is valued and every vote counts.

WE ORGANIZE AND MOBILIZE!

We cannot stay silent or stay home. We must protect our kids and communities. We must meet this moment by fighting back—in Congress, through the courts, at the ballot box and in the streets. Time and again, we've proven that when we fight, we win.

WE STAND UP, SPEAK UP, SHOW UP AND VOTE!

No one can do everything, but we can all do something. Together, we can stop the march toward authoritarianism. We can reclaim the promise of America and build a better future for working people.

The AFT is a union of professionals that champions fairness; democracy; economic opportunity; and high-quality public education, healthcare and public services for our students, their families and our communities. We are committed to advancing these principles through community engagement, organizing, collective bargaining and political activism, and especially through the work our members do.
