

AFT Convention 2026

Audit/Financial Review Compliance Information for 2026 AFT Convention

All affiliates sending delegates to the 2026 AFT Convention must meet a number of compliance requirements, including submission of a financial review/audit approved by your union’s governing body and made available to the members.

COMPLIANCE DEADLINE IS JUNE 16, 2026
<p><u>If the last audit in our files</u> has a fiscal year end BEFORE December 31, 2024, then the local is NOT IN COMPLIANCE.</p> <p>Why: Affiliates with a fiscal year-end before December 31, 2024, would still have one more audit to file before the June 16, 2026, deadline. (Example: fiscal year end 11/30/24 is due 5/31/25; but then 11/30/25 would be due 5/31/26 which is BEFORE the deadline.)</p>
<p><u>If the last audit in our files</u> has a fiscal year end ON or AFTER December 31, 2024, then the local is IN COMPLIANCE.</p> <p>Why: Affiliates with a fiscal year end AFTER December 31, 2024, would not have another audit to be filed by the June 16, 2026, deadline. (Example: fiscal year ends 12/31/24 was due 6/30/25; but fiscal year end 12/31/25 would then be due 6/30/26 which is AFTER the deadline.)</p>
